

MAKE MORE MONEY WITH PAYSOUT!

Let's face it, your customers don't always have the same needs - and they don't always know the best available solution to meet those needs. **That is why they rely on you for guidance!** Your customers may appreciate, and some may even expect, referrals for additional services which can be integrated into the software they are purchasing from you.

When you refer **Payscout**, you will be offering your customers innovative and cost-saving solutions, which they will appreciate, and in turn, **YOU WILL BE MAKING MORE MONEY!**

Are your customers concerned about their existing payment processing rates?

JUST ASK THEM!

EXPERTISE

With extensive experience in a variety of verticals, we provide customized solutions to meet the most complex payment needs.

RESIDUALS

\$\$\$

TECHNOLOGY

Our proprietary **Paywire** platform is a flexible solution that can accommodate a multitude of payment processing, monitoring, and reporting needs.

PERSONAL

At Payscout, every merchant matters — they are not just a number! Every merchant is assigned their own Relationship Manager.

How much can your customers save with Payscout?

It just takes one statement and 24 hours to find out!

Fee-Free Payments

Payscout's 360° Fee-Free Payments program is the only fully compliant Convenience Fee solution available to the ARM industry

- Your customers can reduce processing fees by up to 75%.
- Your customers have peace of mind knowing they are always in compliance.
- Your customers will see higher efficiency during the collection process.

SELLING POINT: *Payscout's lower processing fees can help "offset the cost of customers purchasing your new software."*

2X – 3X Your margins increase significantly when customers add Payscout's Convenience Fee solution!
